A baby girl was born to Bob and Mary Bailey, Maggie Lynn Bailey was born Thursday at 11:58 a.m. weighing six pounds and measuring 19½ inches.

She was born at home with Mid-wife Fern Record of Salt Lake City from the Domiciliary Midwives of Utah qualifications. Assisting was Ruth Ann Allred with Linda Been and Jayne McQuirk in attendance as well as father Bob Bailey and sister Tara. Tara was also born at home. Bob and Mary have studied and gave much thought and planning to the birth of their baby. They studied mortality rates of different countries both in hospitals and home births. They felt, due to their studies, it was the way for them. They also felt that for Tara it would prevent the jealous feelings that often come to a child against a new baby, but Tara was so much a part of her sister's arrival that it is not a threat to her happiness but an addition to her happiness and an added sense of responsibility. This may not be the way for everyone but Fern Record has delivered over 500 babies with no fatalities and that's a fine record.

Russell and Veon Price were in Murray Sunday for the farewell of Elder Douglas Bird who is the son of Russell Prices' sister. He will serve in Illinois. Elder Douglas Bird is the son of Raymond and Edna Bird. Other relatives who attended his farewell were J. Fred and Nadine Price, Wilburn and Verna Huffaker and son Allen. George and Clara Holmes, Don and Inez Horner and daughter Phillis, Vern Price, Florence Carlile, Wayne and Cindy Huffaker.
